The Old Town is a mixture of low-rise three-storey apartment buildings and mid-rise towers with penthouses, and offers a counterpoint to the sharply modern style of most of Burj Dubai, the heart of emerging Downtown district.

Each of the Old Town communities offer the ultimate in convenience and service retail facilities, with unique architectural interior design features. One has the ambience of an open traditional souq, with tight twisted lanes and shaded walkways, leading to a main double central court. The other has open public spaces, malls, courts, domes and arches, and a wide selection of restaurants and nightlife.

Each community has its own amenities building with fitness areas for aerobics, squash, and swimming; outdoor green areas for children's play and barbeque; mini theatre, juice bar, lounge area and sun decks; and boutique and luxury hotels & dash; all adding to the character of life of The Old Town.

Reehan is located at Old Town It is accessible by main Dubai highways that makes its location convenient for residents to get to and from main key points in the city.
