Coming home to a Vista apartment means retreating to your own private haven with serene golf views. Interiors are elegant contemporary. As one room flows freely into the next, each space is enhanced by soft tones, natural elements, and natural lighting.

A bespoke leisure environment is central to the property's design. Soak in the rooftop infinity pool, take in the sunset over a golf course view from your apartment or the observation deck and lounge, before slipping down to catch a film at the tower's outdoor cinema. If you're feeling active, top up your cardio on the landscaped jogging track or at the rooftop fitness studio, or get competitive during in one of the multi-sport courts.

Designed by award-winning architectural firm, LACASA, the Vista Residences feature stunning, view-centric apartments. Suites contain future-forward technology for effortless, smart living. Floor-to-ceiling windows allow abundant natural light. Vista will certainly be a place to live and relax in the heart of Dubai Sports City.
